

Mid-Semester Feedback

Thank you for taking time to answer these questions. This form is designed to help me find out what aspects of the class are most helpful to you.

- 1) What are **three** important things you've learned in this course so far?

- 2) How helpful are the **PowerPoints** in your learning of material?
(1) a great deal (2) quite a bit (3) a fair amount (4) very little (5) not at all

Why or why not?

- 3) How helpful are the **Practice Problems & HW** in your learning the material?
(1) a great deal (2) quite a bit (3) a fair amount (4) very little (5) not at all

Why or why not?

- 4) How helpful are the **Article Presentations & Critiques** in your learning the material?
(1) a great deal (2) quite a bit (3) a fair amount (4) very little (5) not at all

Why or why not?

- 5) Has the **feedback** you've received helped you to improve your mastery of the material or skills? Please explain.

- 6) What changes **could you make** in your own classroom or study behavior to improve your learning and performance in this course?

- 7) Any other comments about the course?
