

Productivity Apps for Mobile Devices

Apps, Apps, Apps! There are so many apps available, how do you know which one is the right one for you? The following chart provides an overview of the most commonly used apps for organizing, creating lists, adding reminders, and tasks using a mobile device.

If you need assistance, please contact Candace Wentz (candace.wentz@centre.edu) or Kristi Burch (kristi.burch@centre.edu) in the Center for Teaching and Learning.
